**Genre:** 2D Side-Scrolling / Casual Arcade

- ☀️ Bright, Whimsical, Nostalgic
- 🦊 Playful, Challenging, Energetic
- 🎓 Campus-Inspired, Cheerful, Relaxed

# RULES & MECHANICS

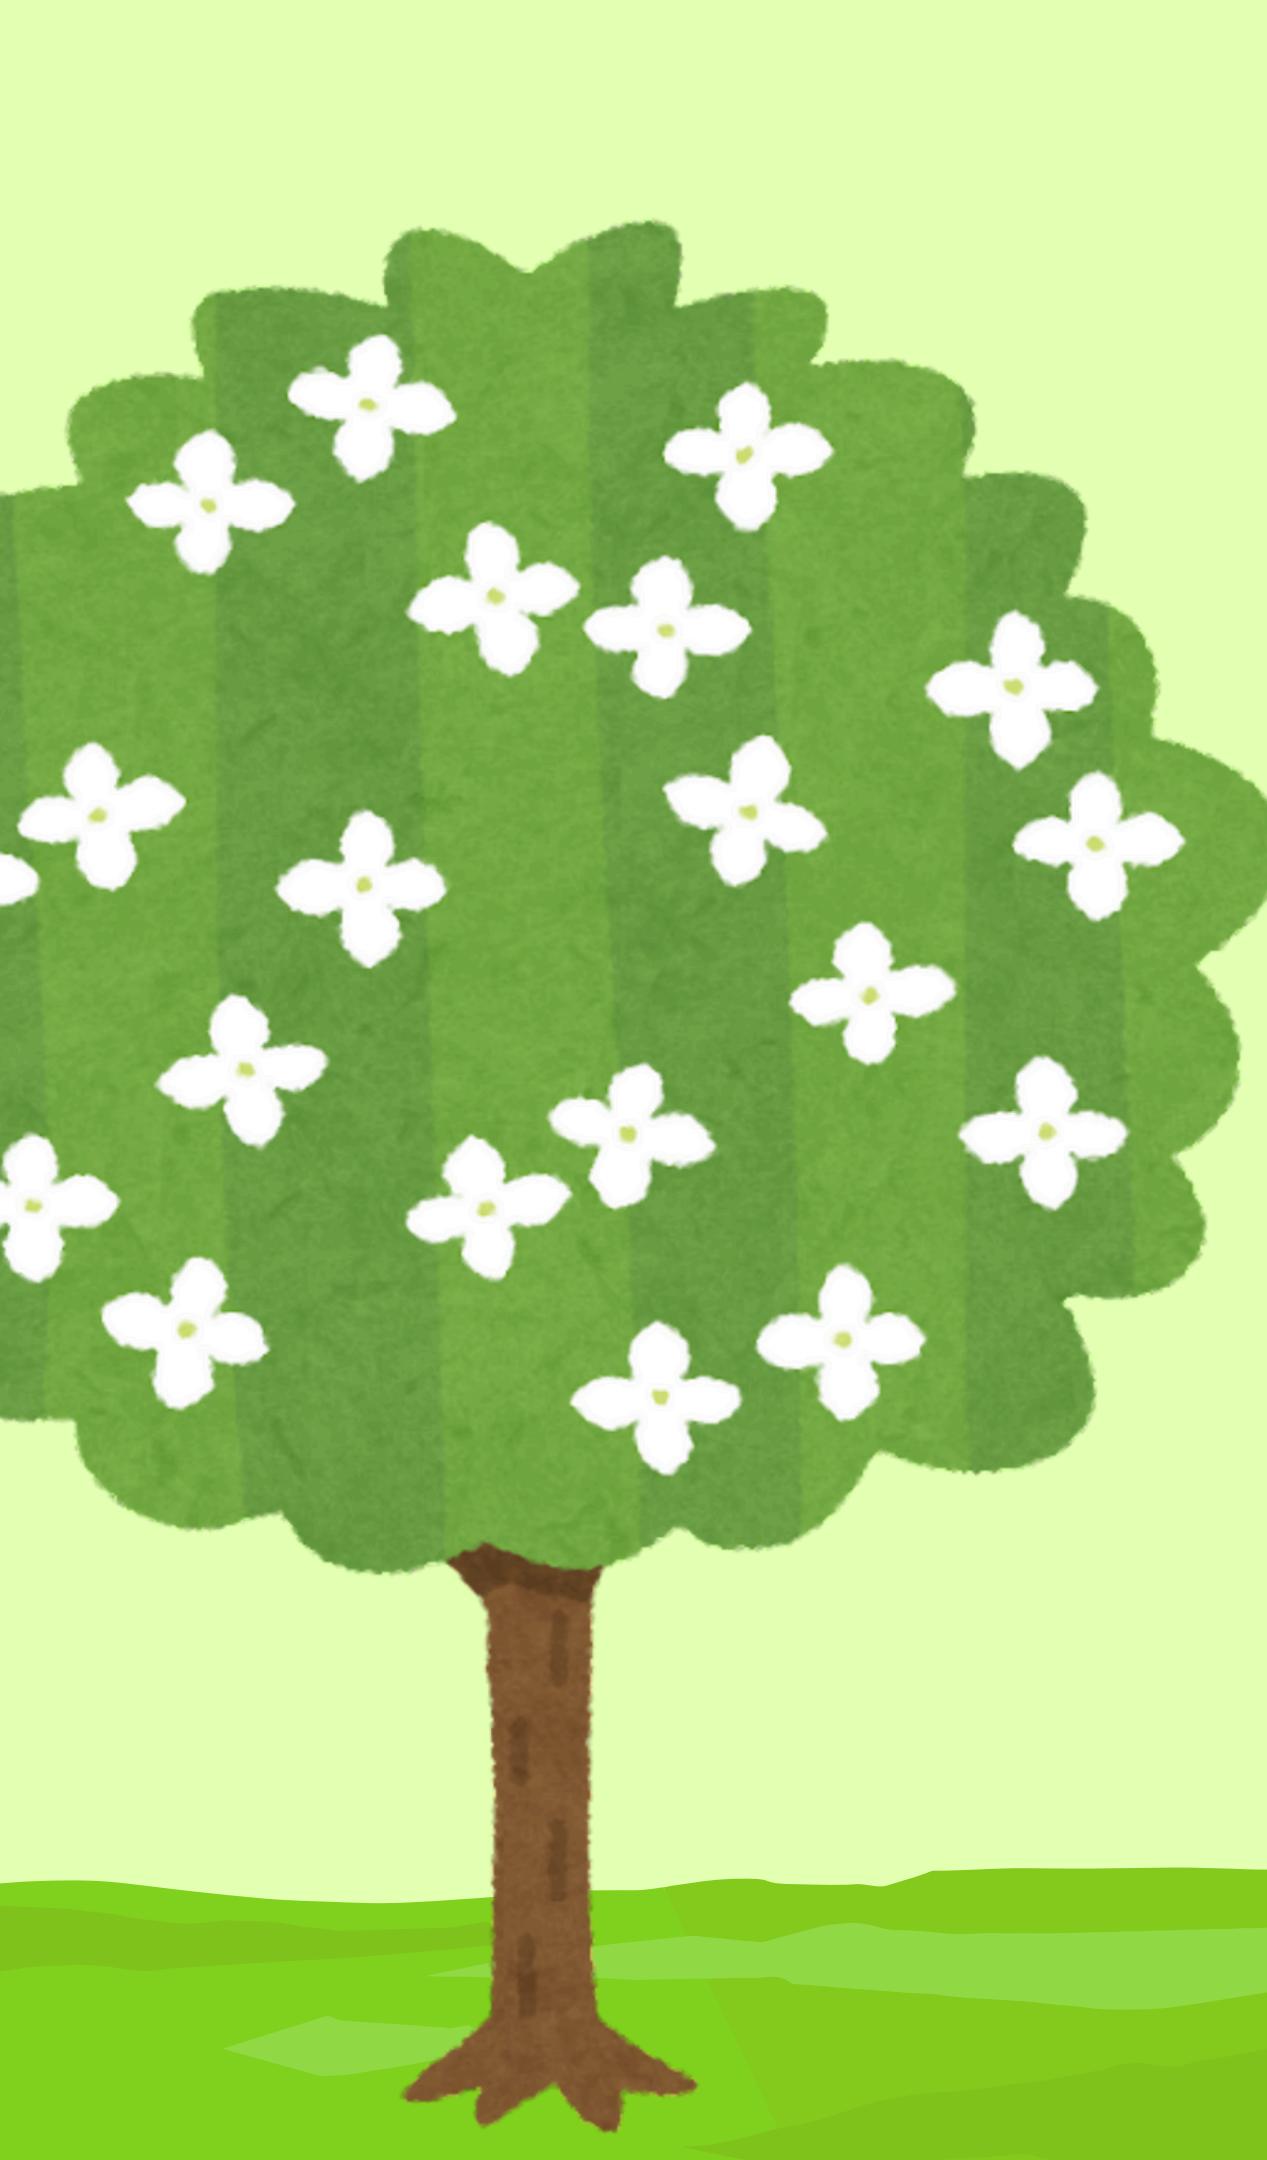

Press a key to keep Rolly in the air

Avoid colliding with obstacles and hitting any object ends the game instantly.

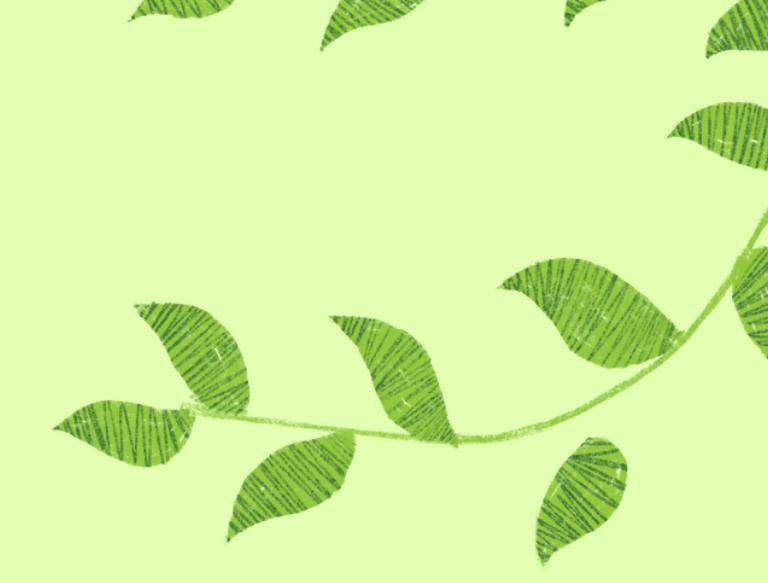

The longer you survive, the higher your score.

- Flap/Fly: Spacebar or Left Mouse Click - Makes Rolly flap upward
- Fall: Release key/button - Gravity pulls Rolly down
- Start Game: Click Play button on start screen
- Restart: Click Play button after Game Over

# CHALLENGES & POINTS

**CHALLENGES :**

Tight Spaces between obstacles

Speed Increase

Distraction Hazards

**POINT SYSTEM :**

Each obstacle you cross adds a point

Highest Points total wins- so you will always try to beat your last score.

# THE ROLE OF NATURE

## ALL SAINTS

Starting calm the game beginnings at All Saints Coffee shop. Where Rollins students enjoy a relaxing place to study and receive free coffee.

regular speed +  
possibly no  
dodging

## BUSH

Next stop, we have bush. Where class is in session. Giving a more stressful environment for the player.

Increase in speed +  
no dodging

## OLIN LIBRARY

Now you're located at the library where your cramming for an exam. So the environment is in high stress.

no speed increase  
+ Flying books to  
dodge

## LAKE VIRGINIA

Lastly, we are flying over lake virginia dodging birds while looking over a relaxing view.

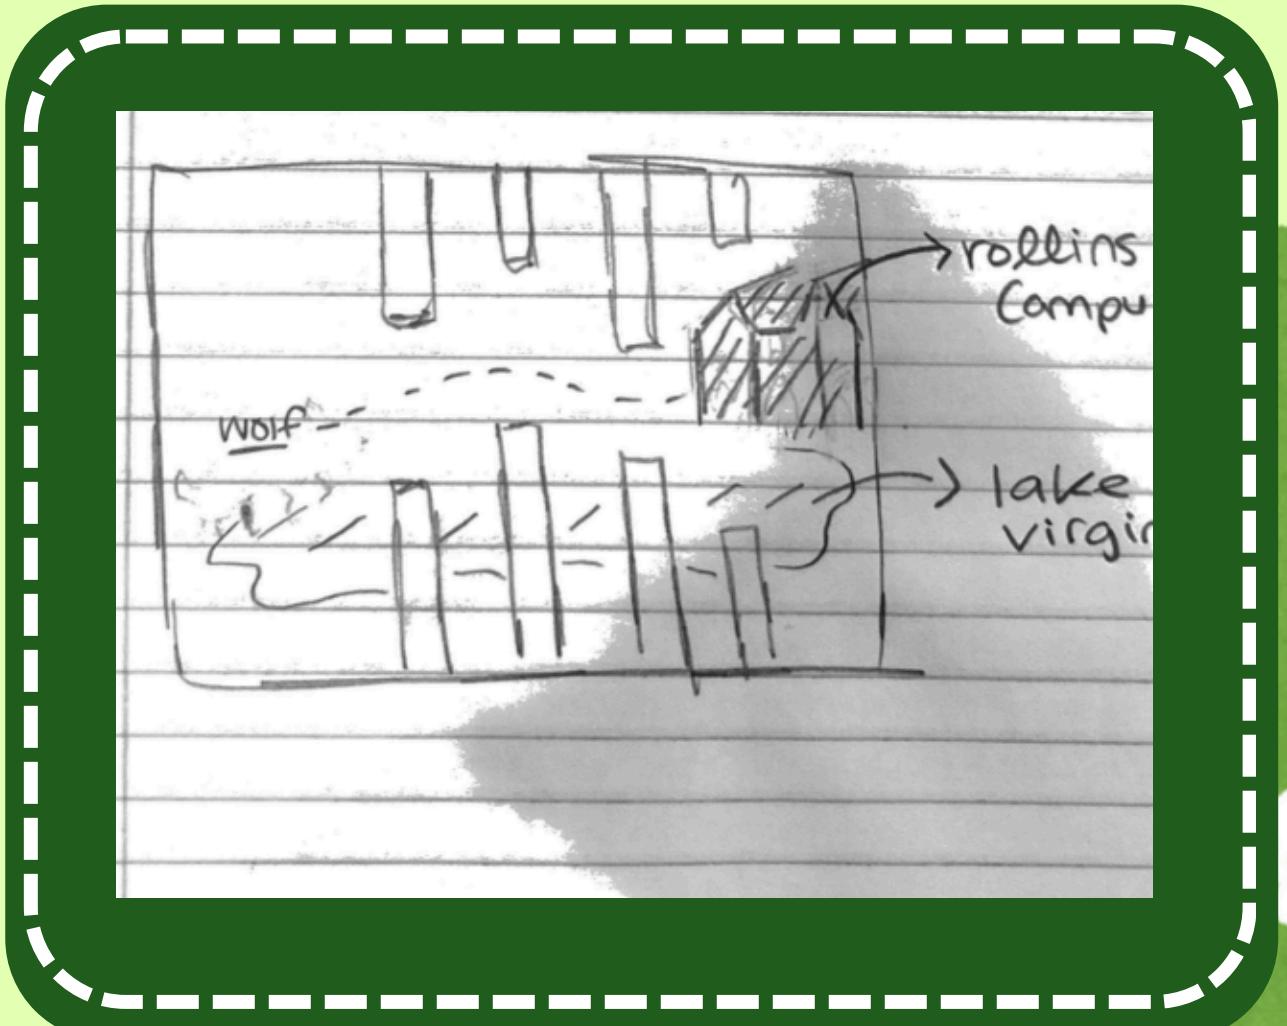

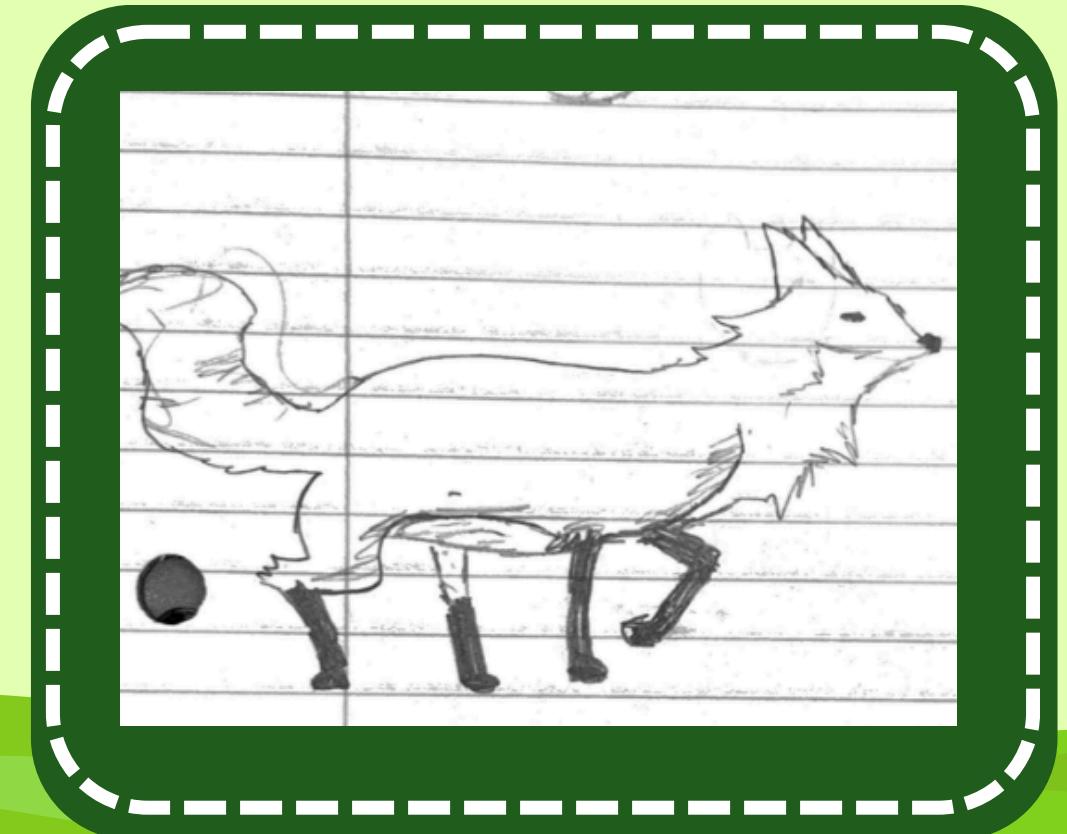

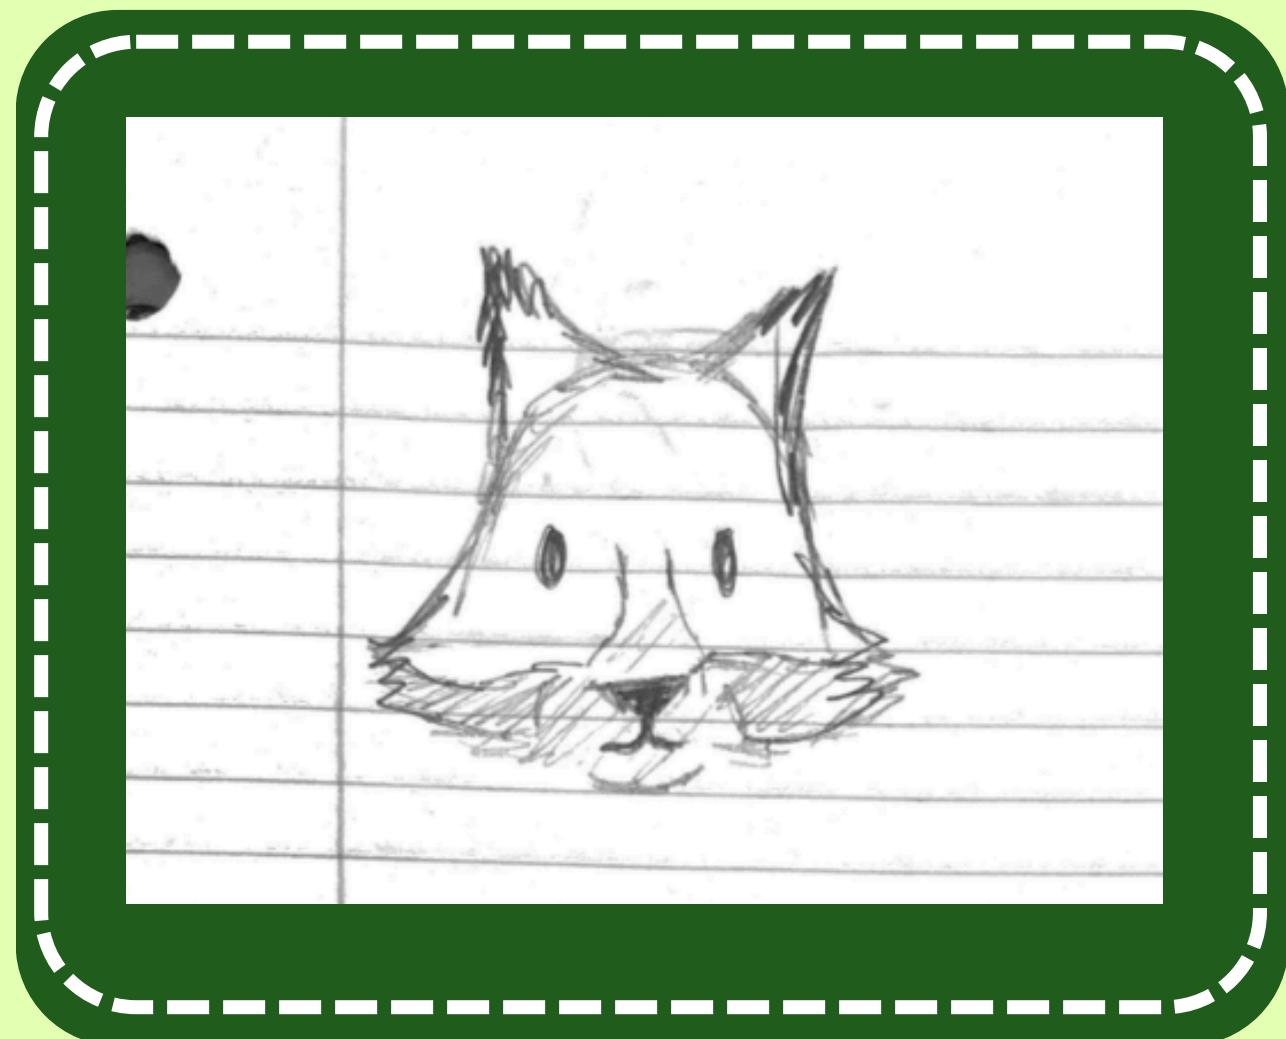

Increase speed +  
birds to dodge

Character:  
You - Rolly the Fox
